Continuation of Attachment(s) 9. Other: Copy of Petition Decision dated 3-8-06.

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The newly cited reference to Alenskis has been considered. The reference merely is directed to a fiber placement head for application of tows on a surface with the ability to cut add and restart any of the desired tows. The reference does not address the use of a ring or the use of multiple heads for application of material on the interior of the mandrel. The claims remain allowed for the same reasons as previously presented over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeff H. Aftergut whose telephone number is 571-272-1212. The examiner can normally be reached on Monday-Friday 7:15-345 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richard Crispino can be reached on 571-272-1226. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
